

Book in a Box

The Project

Decorate a box to represent your book and fill it with objects that represent different parts of your book.

The Details

- You can use a shoebox, oatmeal canister, coffee can or other similarly sized container for this project.
- Decorate your box to go with the book. You can draw pictures yourself or use pictures from magazines or the internet. Be sure to include the title and author of your book on the box as well as your name.
- Find at least 8 different objects. You can use pictures if the object you want to use is too big to fit your box.
- For each object, make a note card that includes the name of the object at the top and a paragraph about how the object is important to the book.

Tips for Success

- ✓ As you read your book, keep a list of ideas for objects that you might want to use for this project.
- ✓ If you use pictures, glue them onto cardboard backings.
- ✓ Try to find at least one object for each chapter of your book.
